Waldo at the Zoo

by Hans Wilhelm

See the **giraffe** and **monkeys** play?

Waldo taught them a game today.

The **elephant** makes **Waldo** smile.

He washes the grumpy **crocodile**.

The **jaguar's** hungry.
He wants to eat.

The **camel** won't be
his luncheon treat!

The **lion** roars, "I am king!"

The **hyena** laughs at everything.

Stay away from the **buffalo**
while he's eating.

Give the **wart-hog**
a friendly greeting.
